

Peter Wipf received a Ph.D. in 1987 from the University of Zürich under the guidance of Prof. Heinz Heimgartner. After 2 years as a Swiss NSF postdoctoral fellow with Prof. Robert E. Ireland at the University of Virginia, he joined the University of Pittsburgh, and was promoted to Distinguished Professor in 2004.

Prof. Wipf received the NSF Presidential Faculty Fellowship in 1994, the Arthur C. Cope Scholar Award in 1998, the Ernest Guenther Award in the Chemistry of Natural Products in 2009, and the Humboldt Research Award in 2014. He is a Fellow of the AAAS (2002), the RSC (2004), and the ACS (2010). He also serves as an associate editor for ACS Med. Chem. Lett.
